

IPCS9Lives **Now.** Here.

9Solutions Personal safety solution.

Is others' safety your responsibility?

A complete wireless solution to improve
the safety of your customers and personnel.

- ✓ Alarms by a button press and automatically.
- ✓ Real-time tracking of people and assets.
- ✓ Automatic routing and reporting of the alarms and positioning data to meet specific customer demands.
- ✓ Alarms can be routed to wall displays, via SMS /email or directly to a service center of a security service provider.

Come and visit our booth 6d133 at the International Safety and Security Fair FINNSEC. 12.-14 Oct 2011.

IPCS by 9Solutions. That's why.

- ✓ **IPCS By 9Solutions.** Wireless Bluetooth and SaaS based indoor positioning solution platform.
- ✓ **Effortless Installation.** Robust self-organizing Node network, no local software installations.
- ✓ **Low maintenance costs.** Sophisticated self-diagnostics.
- ✓ **No hidden costs.** IPCS Service Subscription includes always the latest software versions available.
- ✓ **Standardized technology.** Real time tracking of IPCS Tags and billions of other Bluetooth devices.
